

NOTE FROM ACTING HEAD TEACHER

Dear Parents, assalmu alaikom

Welcome to our first weekly newsletter! We hope to give you a glimpse into what is happening at MMPS every week.

I am sure you have heard that, alhamdu'lillah, the PTA has made the refurbishment of new infants boys' toilets possible and work has been going on throughout the holidays with a fabulous result! We would like to thank the PTA and all our parents for their generous contributions and making it happen. The boys were delighted with the end result.

It has been busy week with KS1 and KS2 parents' evenings which were well attended. I hope you were delighted with your child's work and feedback from their teachers.
