## NOTE FROM HEAD TEACHER

Dear Parents / Guardians / Carers  
As-salaamu alaikom

It has been a busy couple of weeks, switching to remote learning at very short notice and setting up provision for children of critical workers.

I hope that our pupils, and indeed parents, are settling well back into remote learning mode. It is most definitely not something that any of us wanted. Learning from home can present an enormous challenge, particularly for parents who are working from home. With mutual support and lots of duas we will get through these testing times, insha'Allah.

I pray that Allah swt keeps everyone safe and protected from harm and wish you all a screen-free, happy weekend.

Mrs Ghafari

## HADITH OF THE WEEK

'Successful indeed are the believers... Those who are keepers of their trusts and their promise.' Prophet Muhammad(saw)

## The Right of the Fortnight

Article 14 Every child has the right to think and believe what they want and practise their religion

## ASSEMBLY

Mrs Chaudhry spoke about recycling and in particular about how recycling batteries helps the environment.

## HIGHLIGHTS OF REMOTE LEARNING

Year 1 were thinking about teamwork in PSHE and learning what makes a team. They thought about who they would like on their own team.

## Key Stage 2

Year 4 have made these handy dials to help them learn about the water cycle.

## Pupil Voice

On remote learning:

"I like remote learning but I prefer to be in the actual lesson instead of being stuck in front of a screen."  
Sara Year 6"

"I prefer when everyone is in school. People get lonely and face to face is much better. Learning at home is too loud and you can't focus if your siblings are yelling."  
Junayd Y5

## Islamic Studies

Year 3 created a tree to show how the Pillars of Islam are our roots to help us blossom the pillars of iman.

Year 2 wrote about the importance of Salah.

Year 5 are exploring the earliest forms of communication in History—cave art.

Year 6 made posters explaining how light works for Science.

## CERTIFICATES
