NOTE FROM HEAD TEACHER

Dear Parents / Guardians / Carers,
As-salaamu alaikom

We are looking back on a term of successful remote learning.

I would like to thank ALL our parents once again for supporting school and their children with remote learning. I know that it has been, and is, very challenging for many of you, particularly if you are trying to balance working from home alongside it. I would like to reassure parents that we fully understand that everyone is doing their very best in a difficult situation.

For now, please switch off and make the most of next week's break with family and loved ones.
