

## NOTE FROM HEAD TEACHER

Dear Parents / Carers,  
As-salaamu alaikom,  
A very warm welcome back to all our parents and pupils and a warm welcome to MMPS to the many new families who joined us this week. It has been uplifting seeing our pupils back in uniform, having lunch in the dining room and most importantly, praying salat al Dhur in Jamat with their peers and teachers alhamdu'lillah. This morning Year 3 to Year 6 had their first live Friday assembly, since March 2020! I can't begin to tell you how wonderful it was to see everyone's face without having to scroll up and down a screen; whether the 'mute' button will be missed eventually remains to be seen ;). I pray that Allah swt protects our community and that our pupils, parents and staff can experience an undisrupted and safe school year, insha'Allah. Wasalaam,  
Mrs Ghafori

## HIGHLIGHTS OF THE WEEK

Year 3 have settled in very well and are a wonderful addition to KS2. It's lovely to see smiles all round. Our class charter shows all our hopes and dreams for the year and the future.

Year 6 have been developing their skills of sketching and observational art.

Reception learnt about children's rights, discussing healthy eating and the right to nutritious food. We had lots of fun making fruits and vegetables by ripping tissue paper, scrunching it and then gluing it as a team.

We have purchased a whole new reading scheme this year. Mrs Fiaz and Mrs Bham have been busy organising them, so lots of new books for the children to enjoy reading!
