## NOTE FROM HEAD TEACHER

Dear Parents / Carers,  
As-salaamu alaikom,  
Our final parents' induction meeting took place on Wednesday and it was great that we were able to hold them in person this year, al hamdu'lillah.  
The most important safeguarding message I shared with parents was to be aware of online safety risks and monitor children's online activities. If you have not done so yet, install parental controls - if unsure how, contact your internet provider for support.  
Also check out our e-safety page for links to e-safety advice.  
<https://www.mmps.miet.uk/parents/e-safety/>  
Have a great weekend - stay safe and dry!  
Mrs Ghafori  
Wasalaam,

## HADITH OF THE WEEK

The Prophet (saw) said  
"The most beloved people to Allah are those who are of most benefit to others."

## The Right of the Fortnight

### Article 28

The convention applies to every child without discrimination, no matter what their background.

## STARS OF THE WEEK

Reception: Sufiyaan Anjum and Arwa Haroon

Year 1: Isra Ahklaq

Year 2: Amina Ainsworth

Year 3: Irtaza Khan

Year 4: Ayman Mohammed

Year 5: Ali Hatahet and Zaki Usmani

Year 6: Haniya Imran

## ATTENDANCE AWARDS

1st Year 3 95.8%

2nd Year 2 95.2%

3rd Year 6 93.7%

## ASSEMBLY

Mrs Benashur introduced Black History Month with a quiz about important figures from Black History.

## COMING UP

Phonic Workshops  
for Year 1 and 2

Monday and Tuesday

Football Club Weds  
3.45pm Y5&6

Karate Class Y3-6  
Thurs 3.45pm

It's more fun because we get to play with our siblings in other years and see if they're okay. . *Junayd, Year 6*

We can go out together now rather than at different times, which I prefer. *Rabia, Year 6*

School life without bubbles feels better because you get to play with other people. *Musa, Year 3*

Pupil Voice  
"What is school life like without bubbles?"

It's better because we can play all over the playground now. *Iqraa, Year 6*

## HIGHLIGHTS OF THE WEEK

Year 5 have been learning how to introduce themselves in Arabic.

Year 6 have been creating models to show the 4 layers of the Amazon Rainforest; the animals that live there, the climate, and the height of trees.

Year 4's science lesson took them outside on an Invertebrates Hunt. They did an amazing job drawing the creatures and describing them.

Year 3 were making their fossils in Science, thinking carefully about what they want future archaeologists to discover.

Nursery talked about staying healthy by doing lots of physical activities and eating a healthy diet.

They made a healthy snack - a fruit and vegetable kebab, and everybody loved it!

### CHANGE YOUR MINDSET

Year 5 have been exploring how they can change their mindset from a fixed one to a growth mindset.
