## Theme: My Feelings

Summer 1 2022

## MATHEMATICS

### Multiplication and Division

- Counting in 2s, 5s and 10s.
- Make equal groups.
- Make arrays as a model of multiplication.
- Use sharing as a model of division

### Time

- Before and after
- Dates
- Time to the hour
- Time to the half hour
- Writing time
- Comparing time

## ENGLISH

### Non-fiction

In this unit, the children explore the Big Question: *What's the best job?* They will read interactive books, find information and use drama to explore different roles. They will create a fact file and learn how to write a job application, focusing on what they think they are good at. They will answer the Big Question, planning and writing their own instruction text based on a model.

### Grammar (SC)

Recapping full stops and capital letters.  
Introducing the prefix 'un' and how it changes the meaning of verbs and adjectives.

### Comprehension (SC)

Text:

Zaks Moon and Tess's Pool  
What can you see by the sea?

Objective:

Understand questions and identify the information needed.

Match what children hear with what they can see or read.

## SCIENCE

### Plants

This unit will teach the children the structure of plants and trees and what they need to grow well. Children will engage in a variety of activities including identifying common plants and trees in the garden and the wild, sorting out deciduous and evergreen leaves and crafting labelled plant collage pictures. Children will plant their own bean seeds in lesson 1 and observe it closely in the coming weeks by monitoring and recording its growth.

## HUMANITIES

### Who were the greatest explorers?

In this unit, the children will investigate the lives and journeys of explorers from various eras who have contributed to national and international achievements, like Ibn Battuta, Captain Cook and Sunita Williams. Pupils will also explore where the people and events they study fit within a chronological framework and compare aspects of life in different periods.

## PSHE

Identify how we can positively contribute to the groups and communities we belong to. Explore the notion of community, how to be good neighbours and looking after the environment. Learn about what it means to be British, diversity, and the importance of celebrating/respecting our differences.

## ISLAMIC STUDIES

We study the Quran, Allah gives us money (charity, helping others), importance of telling the truth.

## ART

Children will explore the work of Joan Miro and learn about his magical realist paintings, drawing on their own experiences to create dream-like pictures. Children will study printmaking with lots of different objects and materials to make their own exciting artworks.

## PE

### Bench Ball

## COMPUTING

Children will use their computer skills in a painting application. By the end of this unit, children will know how to navigate the application, paint with different colours and brushes, create shapes, fill areas, undo and redo and add text.

## QURAN

**Memorisation:** Surah at-Teen

**Revision:** Surah al-Qadr to an-Naas (please ensure you child revises all surah)

**Reading:** Continue reading from 'Easy Quran Reading' based on individual level
