NOTE FROM HEAD TEACHER

Dear Parents / Carers

As-salaamu alaikom

"Those who spend their wealth in Allah's cause are like grains of corn which produce seven ears, each bearing a hundred grains." (Qur'an, 2:261)

Once again, our parents' generosity has been truly humbling. Bags upon bags, boxes upon boxes of donations have been brought into school this week to be sent to Pakistan.

May Allah swt reward you all for your generosity and may your donations bring ease to the thousands of injured and millions of displaced people in Pakistan.

Wasalaam,

Mrs Ghafori

TEAM BUILDING DAY

From Year 1 to Year 6, classes took part in a variety of team building activities and games.

Learning from the life of the Prophet, how the companions worked as a team.

Teamwork and the story of the Hijrah

The Prophet Muhammad's (peace and blessing be upon him) Hijrah

1.

Ali(ra), the cousin of the Prophet(saw) slept in his bed that night, so the **Qquraaysh** wouldn't realise the Prophet had already left **Makka**. Whilst the Quraysh waited outside the house of the Prophet, he(saw) had already gone.

Exploring what makes a good team.

It allowed to children to express their own views and even challenge their way of thinking for the better InshAllah.

Can Year 1 work as a team to keep the balloon in the air?

The purpose of the day was to highlight the importance of team work and exploring ways in which we can become more productive and successful members of a team.
