## ENGLISH

### Poetry:

The children enjoy the range of poems in the unit and discuss and explore their uses of figurative language. They learn and revise metaphor, simile and personification and then identify the features of free verse, haiku and performance poetry. Finally they draft and write their own poems using ones from the unit as models.

### Live:

The children are introduced to the idea of an audio story or podcast. As a class, they listen to a spooky story podcast in three episodes, asking questions and listening out for sound effects to develop their listening and comprehension skills. They focus on the use of language and the way it is used in conjunction with the narrator's voice and sound effects to create atmosphere and character. After some teacher modelling they practise brainstorming and planning a story as a class. They then build on this experience to plan and write their own three-episode spooky story podcasts in groups.
