

## NOTE FROM HEAD TEACHER

Dear Parents / Carers

As-salaamu alaikom

We have now had time to evaluate parents' responses to the survey we emailed. I would like to thank you for taking the time to complete it and for the many appreciative comments you made.

It was great that you also shared your suggestions and ideas with us, and I am addressing a couple of them here. Many parents asked how they could support their child with mathematics and we are able to address this straight away, please look out on Class Dojo for uploads of Parent Help Videos which demonstrate how maths topics and concepts are taught in school to make it easier for parents to support their child/ren at home.

Parents also wanted more information about what is expected of their children in mathematics and English by the end of the school year; we will therefore include information about this with the Autumn Interim Reports that will be sent out for Year1 to Year 6.

Wasalaam,  
Mrs Ghafari

Playground leaders have been excited to organize their own clubs to offer to other pupils at lunchtimes, from skipping to badminton to adventure club. Mrs Bibi is running Daff club and Nasheed Squad has also restarted.

## HIGHLIGHTS OF THE WEEK

In Science, Year 1 have been learning about the 5 senses. They carried out experiments to test their sense of smell, taste and hearing.

Our Year 3 ambassadors have been hard at work collecting ideas from the class about how we can collect more eco bricks.

Year 4 have been busy all week selling cakes, nachos and fruit pots at the break time tuck shop, raising money for laptops.

Mad Science delivered a fun and interactive workshop to KS1 and 2 all about how sound works. They will be running after school science clubs next term.
