

“ 78% of the jobs children will do when they are older will involve coding. ”

Manchester Muslim Preparatory School | KS2

GAMEBUILDING Afterschool Club

At Jam Coding, our goal is to help improve children's digital skills. This **game building** workshop will teach children how to code and build their very own 3D computer game. Children will have fun creating interactive animations and games using visual coding. Working in teams, they will learn how to think logically and solve problems. At the end of the course, all children will receive a certificate and one team will receive a trophy!

DATES :

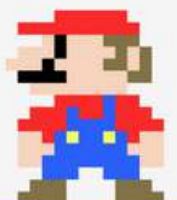

30th October - 4th December

TIME :

Running from 3:15PM - 4:15PM
ON MONDAYS!

PRICE :

6 WEEKS OF FUN FOR JUST £54 !

BOOK HERE : <https://portal.jamcoding.franscape.io/class-overview/2157>

Click the link above to view course details OR visit our website and head to the booking tab. Enter your postcode in the locations field and click search to view courses. Then select the school or venue you require.

N.B. You can only attend courses held at the school that your child attends. You can also search by the school postcode.
