MINECRAFT
Afterschool Club_

At Jam Coding, our goal is to help improve children's digital skills. Our Minecraft club consists of different challenges based in the Minecraft program. This workshop will teach children to work in teams, think logically, explore their creativity and solve problems whilst developing their computing and coding skills. Suitable for Minecraft experts as well as total newbies to the game. Build, craft and code in a fun, safe environment! At the end of the course, all children will receive a certificate and one team will receive a trophy!
