As-salaamu alaikom.
Our new ambassadors have been announced and had their first meeting; there is already a long agenda waiting to be tackled and I'm sure they will do an excellent job, insha'Allah.

I am now looking forward to attending some of their future meetings to see how they settle into their new roles.

West [Didsbury](#) CE Primary School, Cavendish Community Primary School, Manchester Muslim Preparatory School, Old Moat Primary School, and St Pauls CE Primary School each worked individually with Sharon Campbell, an artist at Manchester Stained Glass based in AWOL studios, to develop the stained-glass designs.

Local schools helped bring the Edwardian pool back to life (Image: Withington Baths)

With Sharon's guidance, each school co-designed one of the five windows that were installed in July above the door entrance to studio two.

MMPS pupils helped to design a stained glass window for Withington Baths.

(see article above). You can view the finished window at the Baths.
