Note from the Headteacher

Dear Parents / Carers
As-salaamu alaikom.
It's starting to feel real, dear parents!
The first van-load with our library books and

shelves was moved to the new site yesterday – the countdown has begun.

Wasalaam,
Mrs Ghafori

HIGH SCHOOL TASTER DAYS

The Y5 & Y6 girls had a lovely day at the MIGSG taster day with games activities, science experiments and food tech.

When I arrived at KD Grammar School, I met my trustworthy friends. We started to walk to the gargantuan hall, we sat down on the comfy chairs.

Report by Irtaza Khan
(Year 5)

Firstly, we started with P.E. We played hockey and lost all 3 games, but we had brilliant fun.

The lunch was scrumptious, and the food was an Asian cuisine.

There was a tuck shop. I bought samosa, crisp, toast & snack bar. Later, we had ICT and Spanish.

In STEM we had to see which structure was the tallest and strongest, me and my friend had the strongest but not the tallest.

Report by Sara Bham (Y6)

World Children's Day is an annual day where children take action to be heard. From climate change, education and mental health to ending racism, discrimination and unfairness, on this day children speak out on the issues that matter to their generation and try to create a better world. World Children's Day was first established in 1954 and is celebrated mostly on the 20th November but can also be celebrated from 19-25th November. These dates were also when the UN General Assembly adopted the Declaration of the Rights of the Child. I hope you enjoyed my report and I hope that you try to make a better world.

HIGHLIGHTS OF THE WEEK

Bubble painting in the Nursery.

Banjo the cat writes letters to Year 1 from the different countries he visits and they write back to him. They have learnt lots of interesting facts about the animals that originate from the different continents and how they adapt to life there.

Year 5 attended a live Art lesson, painting orcas with John Dyer. Some amazing artwork created!

Nursery learnt how to be safe

when crossing the roads. Reception class took to the 'road' to practise road safety. All the classes played road safety games in computing.

Duty Bearer Interviews

Mrs I. Chaudhry (SLT)

What do you do to ensure a better future for our school?

My work involves planning ideas for the school, so pupils have access to lots of different learning experiences.

Interviewed by Abdurrahman Y6

Mrs Iman (Y6 TA)

What do you do to make sure everyone gets their rights?

I treat everyone equally and look out for their best interest. As we are a Muslim school, we should follow the Prophet(s) and treat each other fairly.
