Re: Manchester Muslim Preparatory School, Spring 2024 Chess Club – Tuesdays (1515 - 1615)

Dear Parent/Guardian,

Myself and the team have been teaching chess in schools around Cheshire since 2013 and we're excited to be continuing our club here at the Manchester Muslim Preparatory School. As a former British ladies' champion and active international player, I'm excited to share my passion with today's bright young minds!

We teach children chess right from the basics through to being ready to compete at national level for those that show exceptional aptitude for the game. All children will start with our level 1 school course booklet which familiarizes children with the game, teaching them about check and checkmate. As well as teaching winning strategies we also provide ample opportunity to practise with games and group exercises keeping the children engaged and having fun whilst learning.
