Dear Parents/Carers

Re: Neighbour complaint – dropping pupils by car

Assalamu alaikom

We have unfortunately received another complaint from our neighbours about parents dropping off their children by car. The private nursery next door to the school has complained that parents are driving on to their premises for this purpose, or making U-turns on their land. This is private property and we respectfully request that parents do not enter their car park or stop on their entrance areas.

We trust your support and cooperation in this matter. We have assured the nursery that, now that this has been brought to our attention, we will inform our parents and the problem will cease.

Kind regards

Wasalaam

D. Ghafori
