Dear Parents/Carers,

**RE: Community Park Clean up– 10th May 2024**

Assalamu’ Alaikum,

We hope you are in the best health and iman.

Year 3 will be hosting a Clean Up event on Friday 10th May, as part of the Great British Spring Clean. This is an annual campaign organised by Keep Britain Tidy.

The children will be walking down to Marie Louise Gardens with their teachers to carry out the clean-up. All appropriate equipment such as litter pickers, gloves, bags will be provided.

We believe this is a great opportunity for our children to show how they care for the environment around them and follow the saying of the Prophet (saw) “Cleanliness is half of faith”.

Please complete the permission slip below.

Kind Regards

Mrs I. Chaudhry
