Dear Parents

Re: End of day collection

For health and safety reasons, we must make a slight change to the **collection** arrangements for MMPS pupils at the end of the day.

Parents of children who have siblings in MIGSG and collect their children at the later time of 3:25pm are asked to access the site via the MMPS gate, which will remain open for MIGSG students to exit, rather than the main gate. This is to ease congestion at the main gate which at present forces MIGSG students to step off the pavement and walk on the road.

MMPS siblings should now be collected by their MIGSG sisters from the Year 2 classroom which opens to the front court yard.

Additionally, we kindly ask for your cooperation in easing congestion in the reception area. Please refrain from congregating there when picking up your child and leave promptly, rather than engaging in conversations with other parents.

We hope that these measures will contribute to a smoother and safer end to the school day for both schools. Thank you for your understanding and support.

Kind regards

Wasalaam
