Dear Parents/Carers

Re: Use of Dojo - Reminder

Assalamu alaikom

We hope this message finds you well. We would like to take this opportunity to thank you for your continued support in helping to create a positive learning environment for your children. As part of our efforts to maintain effective communication between home and school, we appreciate the role ClassDojo plays in keeping us all connected.

While the platform is a convenient way to share updates and messages, we kindly ask parents to be mindful of the length of messages, as longer messages can take considerable time to read and respond to. To ensure the most effective communication, please keep messages concise and to the point.

For more detailed discussions or to address any concerns, we encourage you to arrange to meet with the teacher at the end of the school day or schedule a more appropriate time for a conversation. This allows teachers to use their time during the day more productively for lesson planning and marking, which ultimately benefits the learning experience for your child.

Please remember that teachers will respond to messages between 8:00 am and 4:30 pm, Monday to Friday and we kindly request that any urgent matters be directed to the school office.

We thank you for your cooperation and understanding in this matter. Together, we can continue to provide a supportive and enriching environment for all pupils.

Kind regards

Wasalaam
