## A note from the Headteacher

Dear Parents,  
Assalamu alaikom  
It's been a quiet week at MMPS, and today's weather has probably been the stormiest event this week! We are pleased to inform you that we have set up 'My Child at School' for parents to activate. This platform allows you to check attendance information, the school calendar, book clubs, trips and more.  
A letter was sent out yesterday asking you to activate your account. Please ensure you do so, as this is an excellent tool for school-home communication that you can easily access via your mobile device – something most of us have with us all the time. Have a restful weekend.
