Dear Parents

Assalamu alaikom.

The end of a year packed with learning, experiences and activities. The final few weeks have been especially busy – and nothing short of amazing! Our end-of-year trips were a resounding success, with pupils returning full of stories and excitement. Teachers consistently reported glowing feedback from venues, particularly noting their impeccable behaviour of our pupils. We are so proud of the way they represented our schools with maturity and respect.

This week, we were delighted to host our end-of-year presentations for parents. The confidence with which our pupils spoke – even the very youngest ones – was truly impressive. It was heartening to see how much they have grown over the year, both academically and personally.

Yesterday also marked a milestone with our very first Careers Morning for older pupils – and what a success it was! The level of engagement, curiosity and ambition displayed was inspiring, masha'Allah.

We are sincerely grateful for the continued support and trust of our parents throughout the journey. Your partnership makes all the difference.

Thank you all – and have a wonderful summer holiday!
