

# TOPIC LIST- NURSERY

TERM- AUTUMN 1

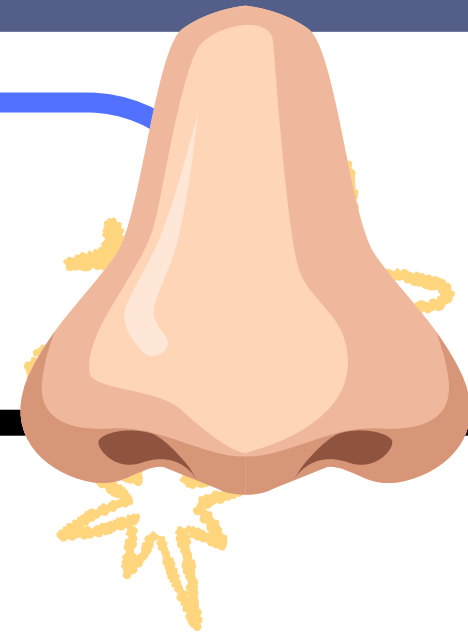

Class Teacher: Mrs. R. Osman

Teaching Assistants: Mrs. Jahan, Mrs. Aslam

Theme: All about me

## SUMMARY

### All about me

We will be learning about our body – e.g.  
naming body parts

The children will explore their senses –  
looking, touching, smelling, tasting,  
listening activities.

They will be talking about healthy eating,  
exercise, oral hygiene and self-care skills  
e.g. toileting and hand washing.

They will also learn and talk about their  
own history, their families and other people  
who are important to them.

mindful  
eating

# PHONICS

This term the focus will be on developing their listening skills, which is what Phase 1 of the Phonics programme is all about.

This half term we will be learning about and identifying environmental sounds

The children will be going on listening walks around school as part of the listening activity.

We will be playing games like: Matching sounds to photos, Sound Lotto, body sounds e.g., clapping, stomping.

# MATHS

We will be singing lots of number rhymes, using actions and props.

We will be using fingers and toes to count, and also counting other objects around the classroom.

We will be doing lots of activities to enable the children to learn to sort and match objects using different criteria e.g. size, shape, colour etc.

# COMMUNICATION AND LANGUAGE

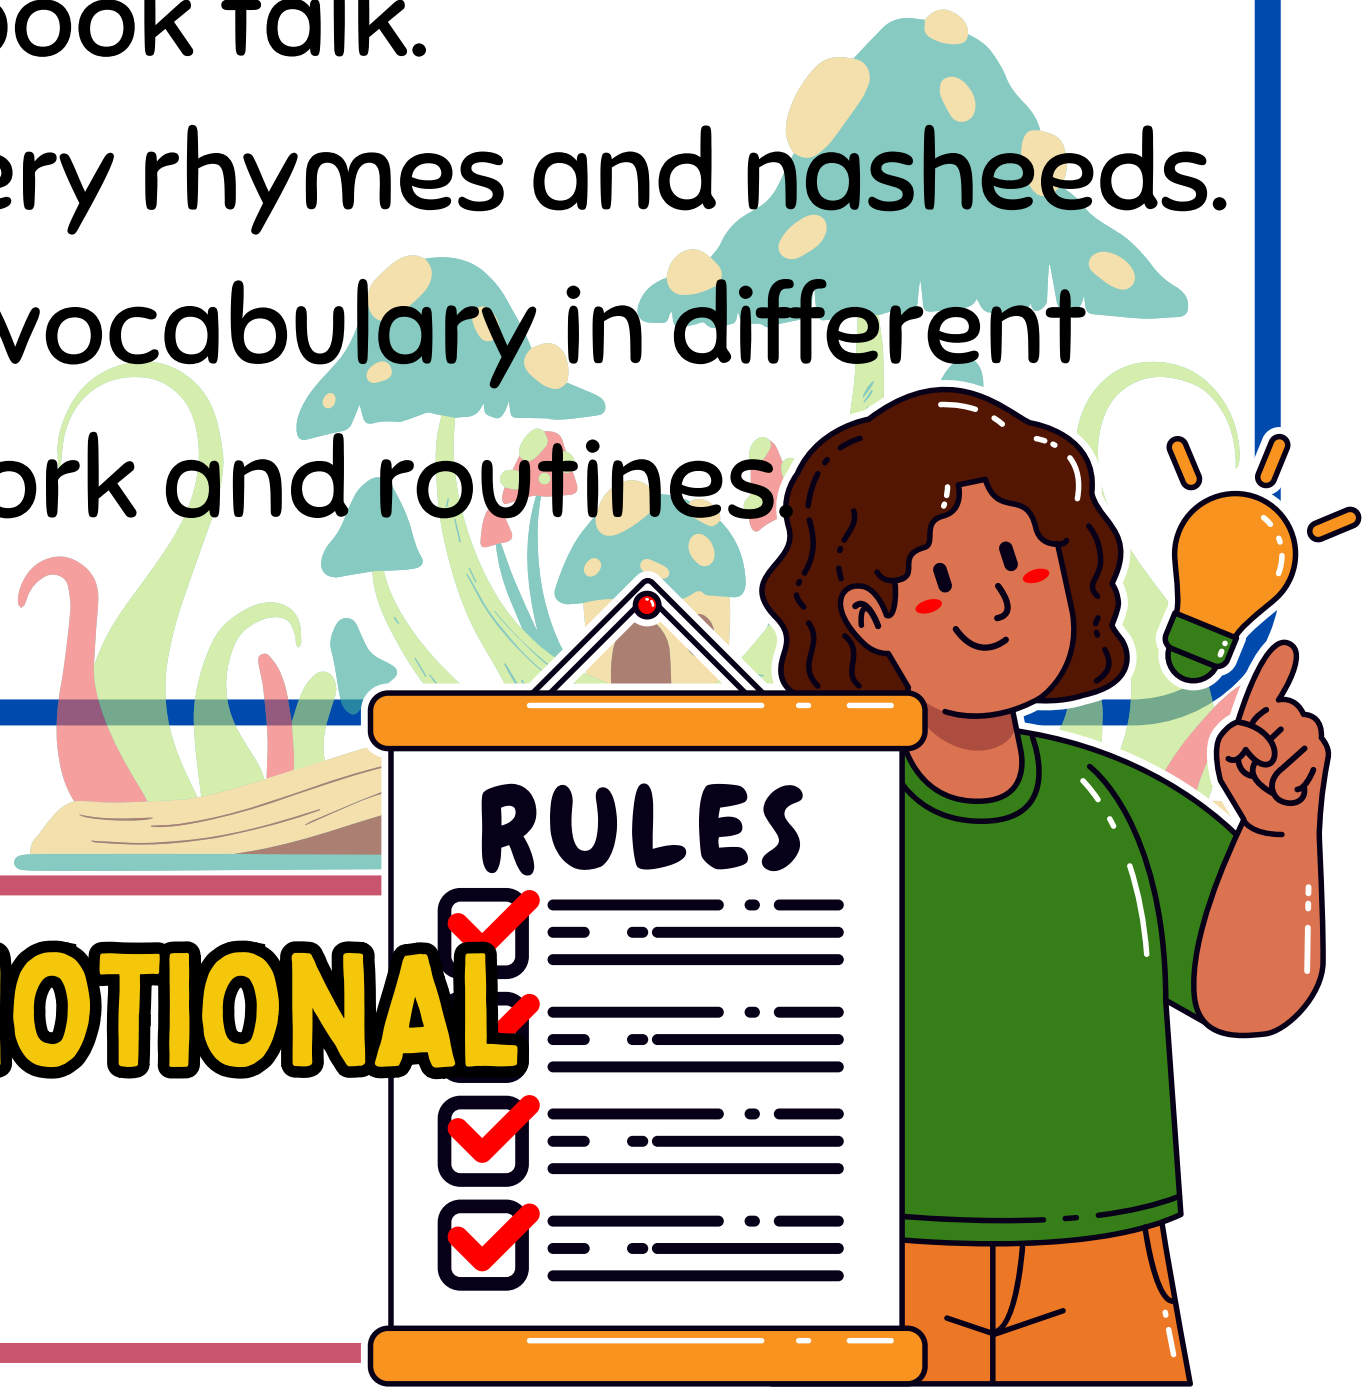

This first half term, we will be focusing on sharing conversations to get to know each other.

There will be lots of reading and sharing books, focusing on quality read-a-loud, talking about text, retelling stories, and book talk.

We will be singing lots of nursery rhymes and nasheeds.

The children will learn new vocabulary in different contexts e.g. topic work and routines.

## PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

We will focus on getting to know one another, bonding with the adults and other children through key person group times.

The children will learn about routines and rules in the classroom e.g. no running, shouting, etc.

We will be talking about our feelings and emotions during circle times, and also through songs, movements etc.

We will be talking and learning about the importance of sharing and taking turns.

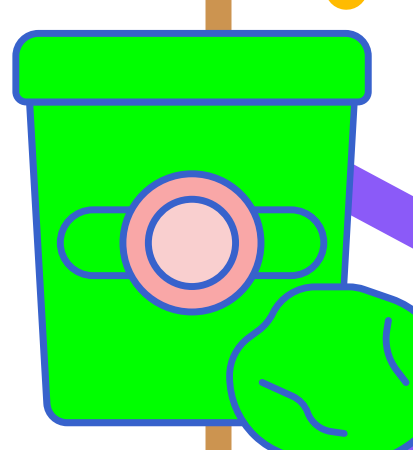

# PHYSICAL DEVELOPMENT

Nursery children will learn to move in different ways, linked to the topic of 'All about me' e.g. when doing action rhymes.

During outdoor play, they will be using the climbing wall and slides. There will be lots of activities involving their fine motor skills e.g. painting, sand tray, playdough and big writing outdoors.

# QURAN

Memorisation:

- Surah Al-Fatiha

Revision:

- No revision.

Arabic alphabet:

- Listening to and singing the Alphabet song.

## ISLAMIC STUDIES

We will start by learning about Islamic greetings.

We will learn to say 'Bismillah' before we start doing anything.

We will also learn to recite duas for different occasions, and the dua this term will be the one we recite before eating.

We will also learn about Islamic eating etiquettes.

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
