## A note from the Headteacher

Dear Parents

Assalamu alaikom.

Some more great highlights this week.

Our Year 2 pupils delivered an assembly that was an absolute delight to watch. Their confidence and enthusiasm shone through as they shared their learning, and it is fair to say they both delighted and impressed their parents, masha'Allah.

Yesterday our Year 5 pupils hosted a Grandparents Afternoon, which was a truly special occasion. Our Nasheed squad performed beautifully, creating a warm and uplifting atmosphere, and our guests were treated to delicious food. We are very grateful to all our parents and teachers who contributed, and to our lovely grandparents who were able to attend and share this time with us.

Events like this strengthen the ties between generations and reflect the importance of family and gratitude in our deen, alhamdu'llillah.

Mrs Ghafari

Headteacher

## Hadith of the Week

"If you want to speak, think: will it bring benefit or harm? Respect comes from careful speech."

IMAM SHAFI' (RA)

Year 5 hosted Afternoon Tea for the Grandparents on Thursday. A beautiful way to honour our elders.

There was rice, samosas, cakes and fruit. Singing from the Nasheed Squad, speeches from grandparents and lots of chatting and fun.

## Highlights of the Week

Reception really enjoyed their Quran lesson where they got to write the Arabic letters on the board.

Year 2 showcased their learning in a super assembly about inventors and explorers, becoming Alexander Graham Bell, Neil Armstrong, Ibn Sina, Al - Khawrismi and more.

Year 6 are writing their story for our picture based novel "The Arrival".

Year 1 created their own winter scenes during computing lessons, with a special focus on using shape and line tools and developing their mouse-control skills. Working with great concentration and creativity, the results are a beautiful winter wonderland.

Year 6 pupils Zaynab and Imaan wrote their own play on the theme of Respect. They selected and directed their cast to produce a fantastic performance for KS1.
