## A note from the Headteacher

Dear Parents

Assalamu alaikom.

We are ending this term with a bang.

Yesterday, our pupils sold the products they produced during Enterprise Week at our Enterprise Market, a truly fantastic display of handmade, eco-friendly items. There was a wonderful variety on offer, from Ramadan lights and plant pots to fruit kebabs, decorated pencil cases and bags, to name but a few. We are yet to find out who made the most profit, watch this space.

In the evening, the PTA hosted a movie night for our older pupils, complete with popcorn, pizza and pyjamas. Only at the Prep would a film be paused for Maghrib prayer, truly special and a moment that captures the values we aim to nurture in our school community.

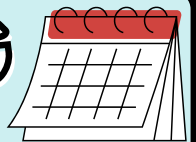

It remains for me to wish you all a restful holiday. We are looking forward to welcoming you back 'next year', insha'Allah.

Mrs Ghafori

Headteacher

the Week**

"If you want to speak,  
think: will it bring  
benefit or harm?  
Respect comes from  
careful speech."

IMAM SHAF'I (RA)

# Enterprise Week Highlights

Year 2 children designed their own plant pots and marketed their products to the other classes. It was a fantastic opportunity to develop their entrepreneurial skills in a fun and practical way.

Year 4 were selling their handmade candles and self designed pouches.

Year 5 produced scented bath salts and handmade bookmarks.

Year 1 kept the Eco friendly theme very much in mind by making lanterns from recycled plastic bottles.

Year 3's Sunnah Snacks were a hit with a range of fruit and veggie kebabs and cups!

Year 6 developed their own brand - MMPS MERCH - with a whole range of products from TShirts to caps to bandanas to tote bags. They posted ads throughout the week. Using their business acumen, they even added sale discounts towards the end of the market.

Olaf the snowman made a surprise visit at lunchtime much to everyone's delight!!
