Note from the Headteacher

Dear Parents,

Assalamu Alaykum

Online Safety Assembly – Reception, Year 1 and Year 2

We held an online safety assembly on Wednesday for pupils in Reception, Year 1 and Year 2. It is impossible to start too early these days when it comes to teaching children how to stay safe online.

When I asked pupils who plays games on a device, the majority raised their hands. This is a reminder of how early children are being exposed to online spaces. While technology can be beneficial, we are all aware of the very real dangers that adults online can pose to young children.

If your child is permitted to use a device at home, the most effective safety measure is you. Children should always be supervised when using devices, ideally in a shared family space. Devices should never be used unsupervised or in a separate room.

Online safety is an ongoing responsibility that works best when schools and parents work together to protect our pupils, insha'Allah.

Have a restful weekend.

HIGHLIGHTS OF THE WEEK

In PSHE the Year 2 children discussed the special people in their lives and then wrote a sentence on how they can care for them.

In Art Year 1 each chose a different bird to draw. They worked very carefully, focusing on fine details and looking closely at the feathers. They also learnt the names of many different British birds and enjoyed talking about their features.

In Art, Year 5 have been bringing their set designs to life.

The Environment Committee introduced The RSPB Big Schools Birdwatch to collect data about different species of birds they see.

In Computing, Mrs Khanam introduced an Online Safety Competition to the pupils. The winning posters will be used on the MMPS Website!
