Admissions Policy

ADMISSIONS POLICY

1. General Information

MMPS is an independent, co-educational Islamic faith school for pupils aged 3 to 11. Choosing the right school is a significant decision, and we strongly encourage personal visits. Please contact our Admissions Officer on 0161 445 5452 or email admissions@mmps.miet.uk to book a tour. Prospective families are warmly welcomed throughout the year.

2. Entry Procedure

MMPS is an academically selective school. Selection is based on:

- Entry examination or play-based informal assessment (for Early Years)
- Recent school reports and references
- Interview and observations
- Alignment with the school's aims, ethos and behaviour policy

The usual point of entry is from age 3 (Nursery). Occasional places may be available in other year groups. Please contact the Admissions Officer for up-to-date availability. Registration Forms are available via our website or directly from the Admissions Officer.

3. Equal Treatment

In accordance with the Equality Act 2010, MMPS is committed to non-discrimination. We treat parents of all applicants equally regardless of race, culture, language, religion, disability, or any other protected characteristic.

4. Information Sharing

Parents must disclose:

- Any known needs or significant issues affecting the child's school life
- Accurate, complete, and timely information relevant to the child's wellbeing, attendance or engagement

Failure to provide honest and full disclosure may result in withdrawal of an offer or termination of the Parent Contract.

5. Special Educational Needs and Disabilities (SEND)

MMPS welcomes children with SEND or disabilities, where reasonable adjustments can be made and the school site can accommodate their needs. Parents must:

- Disclose any diagnosed or suspected SEND, disabilities, or allergies
- Provide all relevant reports (e.g. educational psychologist, medical, EHC Plans or assessments)
- Raise any required adjustments at the outset of the process

We assess the ability to accommodate each pupil on an individual basis and in consultation with parents. Exceptional cases where a place cannot be offered include those where:

- The school cannot reasonably provide the level of support required
- The child cannot safely or meaningfully access the education offered

Any material changes in the child's circumstances after an offer is made must be communicated to the school promptly.

6. Assessment Process

The assessment process aims to identify academic and social potential. Admission is based on:

- Results of the entrance exam
- Observations during assessment
- Recent school report and reference
- The school's capacity to meet the child's needs
- Commitment to the school ethos
- Legal right to reside and study in the UK

Pupils are generally expected to progress through the school, subject to behaviour, academic progress, and the school's continued ability to meet their needs. Parents will be informed by the end of the Spring Term if there are concerns regarding progression.
