Nursery Autumn 2 Topic List

Class Teacher- Mrs. Osman
Key Workers – Mrs. Jahan, Mrs. Aslam

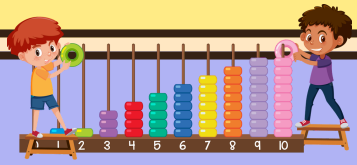

Theme: Seasons & Colours

Phonics

- In Phonics, we are continue with Aspect 2 -Instrumental Sounds, and introducing Aspect 3 – and body percussions.
- The focus is on discriminating sounds by using sound makers and body sounds, e.g. clapping, stamping
- They will also learn to to sequence body sounds by playing lots of clapping games.
- We will start our introduction to the alphabet this term.

Mathematics

- We will be learning to count and give the right numbers correctly and give each object a number name.
- They will use a variety of natural materials to learn to count, e.g. when picking leaves outdoors or when sharing cones and seeds with their friends.
- We are going to continue to learn to recognize numbers from 1 to 10.
- The focus on language of comparison this term will be long and short, and looking at differences and similarities in leaves, cones, seeds, trees, etc.
- The children will learn to use the correct vocabulary when comparing lengths using a wide variety of objects, e.g., twigs, leaves and other natural objects found during their autumn discovery walks.
- When taking them to the park, parents can encourage children to look at the colours of autumn, patterns on leaves, lengths of twigs and small or big trees.

Communication, Language and Literacy

·This term we are focusing on developing our listening skills by listening to stories and retelling them.
·The children will have a lot of opportunities to expand their vocabulary when doing our topic activities on autumn and colours.
·They are going to recap and retell experiences using the correct grammar and vocabulary, e.g. when writing their weekend diary.
·The children will continue to learn how to take turns, to listen, and speak during circle times and games.
·They will have the opportunities to develop their confidence in speaking to a group during our 'Show and Tell' activities.
·At home, parents can read with the children and encourage them to retell the story, and be aware of listeners - speak clearly and not mumble, and to take their time and not rush.
·Encourage them to use their imagination to tell the story in their own words using the pictures shown.

Physical Development

- We will start practicing our ball skills this term, focusing on throwing and catching.
- The children will continue to develop their gross motor skills with activities like using the climbing wall, running, jumping, and learning to hop and balance.
- Fine motor skills activities will include modelling with play dough, large-scale painting and writing outdoors, and using scissors.
- Parents can help children to practise scissors skills and to use them safely.

Islamic Studies

- The children will continue to learn the dua before we start eating.
- They will also learn the dua we recite after eating, and the Islamic etiquette of eating and drinking.
- We will continue to focus on Allah the Creator, looking at and talking about all the different things Allah has created.
- We will also learn some of the names of Allah and its meanings.

Personal, Social & Emotional Development

- We will continue to learn to share and take turns by playing lots of games, indoors and outdoors.
- The children will have lots of opportunities to learn about taking turns speaking and listening to others in our 'Show and Tell' activities with our topic work on colours.
- We will continue to practise self-care skills, like taking shoes and socks on and off before soft play, and also learning to put on our coats and fastening them on
- We will be focus on this, to link it with the changing season and cold weather.
- Parents can help by encouraging and practicing these self-care skills at home.

Topics

- Our topic this term will be seasons and colour, focusing on the natural world around us.
- We will start by looking at autumn colours, doing an autumn walk to collect autumn produce.
- These will then be used for our craft, Math and Literacy activities.
- We will focus on one colour a week, and we will have a colour table for the 'Colour of the Week'.
- The children will be asked to contribute by bringing an item from home, which they will then talk about in our 'Show and Tell' activities.
- We will be doing lots of science this term — colour mixing activities.
- We will be doing art work, making colourful collages and rainbows.
- There are plenty of opportunities for parents to talk about colours at home and about the natural world, the changing season when they are out and about, in the park or in the garden.

Quran

1. Memorisation: Surah Al-Fatiha & Surah Al-Ikhlaas.

2. Arabic alphabet:

- Sing the Arabic alphabet song, learn to pronounce the alphabet & draw the Arabic alphabet to recognize the Arabic letters.
- Practise the letters ا ب ت ث
