

YEAR 3 AUTUMN 2 TOPIC LIST

Class Teacher- Miss Iqbal

Teaching Assistants- Mrs Hafiz & Mrs Al-karawi

THEME – British Values

Maths

Addition and Subtraction

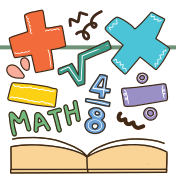

The children will consolidate addition and subtraction, and discuss when and why we exchange between ones, tens and hundreds. They will represent addition and subtraction problems in various ways, explaining the most efficient method to solving a problem and why. They will also look at estimating answers to calculations, as well as using the inverse to check answers.

Multiplication and Division

We will introduce multiplication, thinking about the link with repeated addition and ways in which we can multiply. We will also explore the inverse relationship with division, and understand division as sharing equally. We will also solve problems involving multiplication and division.

Problem Solving & Reasoning

Children will be encouraged to use their knowledge of place value to help them with solving problems involving the four operations. In addition, they will be expected to provide reasons for their thinking and approach to problem solving, using the correct mathematical vocabulary.

English

Fictional Narrative

This half term, we will look at writing a newspaper article using the fictional narrative, Fortunately the Milk. We will be thinking carefully about how ordinary moments can lead to the most unexpected and exciting tales when told with a bit of creativity.
We will also be exploring poems, diary entries, persuasive posters and letter writing.

Grammar

Through our writing, we will revise key grammatical terms such as, a wider range of subordinating and coordinating conjunctions, verbs, nouns, fronted adverbials, using and punctuating direct speech and possessive apostrophes.

Reading

We will be listening to and discussing a wide range of fiction, poetry, plays and non-fiction texts. As well as this, we will be identifying the themes, discuss words and phrases that captures out interest and imagination and recognising some different forms of poetry.
We will also be making inferences on the basis of what is being said and done, predicting what might happen and participate in discussions about the texts, taking tuns and listening to what others say.

P.E

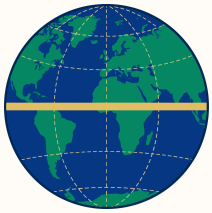

Swimming - Swim competently, confidently and proficiently over a distance of at least 25metres.
Focus: Playing as a team
Children will develop their technical ability and learn how to support teammates during matches.

- ⚽ Passing combinations and ball control
- 🏃 Movement and creating space
- 🛡️ Marking opponents and defending as a team
- 🧠 Understanding positions and tactics
- 🤝 Communication and sportsmanship

Humanities

In our humanities unit, Year 3 will improve their locational knowledge through identifying the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, the Prime/Greenwich Meridian and times zones (including day and night). They will practice their geographical skills through using maps, atlases and globes.

Art

This half term, we will begin with an introduction to the work of two artists; Rosie Hurley and Inbal Leitner who use their sketchbooks to help them make the transition from words/film to images and objects. We will then use our own sketchbooks to explore our responses to the artists and go onto develop and make a sculptural character.

Science

In science, our 'Forces and Magnets' unit will cover forces, friction and magnetic attraction. Children will learn about forces in the context of pushing and pulling, and will work scientifically and collaboratively to investigate friction. Furthermore, they will conduct an investigation into the strength of different types of magnets. The children will have a chance to explore the way magnetic poles interact with one another. They will continue to develop their scientific enquiry skills, making observations, predictions and conclusions.

PSHE

Our PSHE unit this half term is all about money. Year 3 will be thinking about where money comes from and how it can be used. We will be discussing how we spend money and why people may need to borrow money and the consequences of this. We will also begin to explore how we can prioritise what we spend money on and what choices we have, including considering the impact of ethical spending.

COMPUTING

Data handling: Comparison cards databases
Pupils who are secure will be able to:

- Explain what is meant by field, record and data.
- Compare paper and computerised databases.
- Put values into a spreadsheet.
- Sort, filter and interpret data in a spreadsheet.
- Create a graph.
- Explain the purpose of visual representations of data.

QURAN

Memorisation: Surah Al Balad 14-20 and surah Al Fajr1-8 paired with child-friendly Tafseer and interactive verse reflection.

Easy Quran reading. (reading from Qaidah book)

Revision: Focus on revision of all previous surahs
Recitation: Juzz 27 , Easy Quran reading .different levels.

Arabic

This half term, Year 3 will continue to practise their greetings, asking How are you? What's your name? How old are you? And learn how to ask Where do you live? and Where are you from? We will learn how to say countries' names in Arabic. We will continue to practise reading and writing skills and explore some Arabic reading books.

In Extra Arabic which takes place on a Tuesday, pupils will learn the stories of Prophets Nuh and Hud AS.

Any homework set will be posted on Class Dojo and may often be set on an interactive online portal.

Islamic Studies

1.Seerah: The Early Life of Prophet Muhammad (saw)
2.Seerah: The First Revelation
3.Seerah: Secret Preaching: The First Believers
4.Seerah: Open Preaching: Persecution
5.Seerah: First Migration to Abyssinia
6.Seerah: Conversion of Omar (ra)
7.Seerah: The Boycott

Urdu

What animal am I? where do I live? What do I eat? Favourite animal. Pets at home. Story of Prophet Nuh (as) in Urdu. Counting numbers, join the letters to make words.
